Goodwin Is Growing!

Goodwin has been at the forefront of serving both the innovators and investors in a rapidly changing, technology-driven economy. Our unique strategic focus in Private Equity, Technology, Life Sciences, Real Estate, and Financial Industries sets us apart and has resulted in double-digit growth year after year.

We have 1,400 lawyers across the United States, Europe, and Asia, and we seek additional talent at the associate and partner level for complex transactions, high-stakes litigation, and advisory services. Having a diverse talent pool is linked to our success and our future. We embrace diverse experiences and champion inclusivity to bring strength to our teams, our clients, and our firm. We are extremely proud of our culture as we foster collaboration, innovation, EQ, and entrepreneurialism in an equitable and thriving environment.
