## Fall Reading Series

**“Eleanor Oliphant is completely fine”**

**By Gail Honeyman**

**General Meeting and Book Review**

**Join us for dinner and discussion**

Eleanor Oliphant is a socially awkward misfit who lives alone, has a job but no friends, and believes that she has life all figured out and under control. Then an I.T. guy at work takes an interest in her, and she gradually – and awkwardly – begins to open up. This book manages to be hilariously funny and deeply moving at the same time. We hope you enjoy it!
