

Wilson Elser's White Plains office currently seeks an Associate Attorney for a growing practice team with a focus on Data Privacy and Cyber Security.

This is an excellent opportunity for newly admitted attorneys, or those looking to learn the growing field of where the law and technology intersect.

The Firm

Wilson Elser is a full-service and leading defense litigation law firm who faithfully serves our clients with more than 800 attorneys, across 37 offices in the United States and one in London. Founded in 1978, we rank among the top 200 law firms identified by The American Lawyer and 53rd in The National Law Journal's survey of the nation's largest law firms.

The Position

Qualifications

- JD from an accredited law school
- Must be admitted to practice in the state of New York
- 1 - 3 years of experience preferred
- Data protection / privacy / cyber liability experience
- Understanding of technical concepts and an interest in technology (advanced technical expertise or education is NOT required)
- Ability to communicate and discuss technical concepts at many levels, from IT professionals to those without a background in technology
- Experience counseling clients on cybersecurity compliance and risk management
- Strong written and oral communication skills
- Legal project management experience is helpful

Responsibilities

- Independently manage a caseload of working cases from beginning to end
- Provide clients with cybersecurity and data privacy advice
- Communicate with clients and provide status reports

Why Should You Apply?

- Excellent Benefits
- Professional development programs including in-house CLE and National Attorney Training
- Generous PTO plan
- Excellent growth and advancement opportunities
- Corporate Discount Plans
