

NEWMAN FERRARA LLP

Job Location

New York City

Job Function

Second or Third-Year Litigation Associate

Job Description

We are a national litigation firm based out of New York City and we are looking to hire a second or third-year associate to join the firm's Class Action and Complex Litigation Group. Practice areas include securities and shareholder litigation, consumer litigation, and civil rights. The associate will be involved in all aspects of litigation, including motion practice, discovery, preparing for and attending depositions, mediations, hearings, and trials, and appeals. Among other duties, the associate will be responsible for researching and analyzing law on complex issues and writing briefs in connection with motions and other court submissions.

More information on the firm can be found at: <https://www.nflp.com/>

Desired Skills & Experience

The candidate should have the following credentials:

- One to two years of litigation experience (plaintiffs firm or Big Law experience preferred);
- Excellent research, writing, and analytical skills a must;
- Organizational and time-management skills; and
- The ability to work efficiently and independently.
