

## **BROOKLYN LEGAL SERVICES SEEKS DIRECTOR OF FAMILY/DOMESTIC VIOLENCE UNIT**

Brooklyn Legal Services seeks a Director for its Family Law and Domestic Violence Unit (FLU).

Brooklyn Legal Services, part of Legal Services NYC, provides high-quality, innovative representation to address the pressing legal needs of Brooklyn's diverse low-income population. BLS focuses on the problems that have the greatest impact on our clients — preserving affordable and decent housing, maintaining income support, redressing abusive lending and consumer practices, promoting family stability and mitigating the effects of domestic violence, and advocating for the disabled.

The FLU has been providing legal services to DV victims throughout Brooklyn for over 40 years. The Unit has pioneered DV advocacy and litigation and has been an innovative leader in the field. We provide advice, counsel and representation to victims of domestic violence in family offense (order of protection), custody and visitation, child and spousal support, divorce, appellate, and immigration proceedings. Our staff is widely recognized for its expertise and provides numerous trainings to a wide audience, including shelter staff and residents, hospital staff, DV advocates, judges, attorneys, court staff, and community-based organizations.

### Roles and Responsibilities

We are looking for a passionate director to lead a dynamic team litigating family law and matrimonial cases in Brooklyn Family, Supreme and Integrated Domestic Violence courts. The Director will work to support the unit's existing advocacy efforts as well as be responsible for broadening the unit's work. The Director will provide hands-on supervision of attorneys of varying levels of experience, including second-seating trials and depositions. The Director will also provide trainings on a variety of DV and matrimonial-related legal subjects to diverse audiences. In addition, the Director will handle a small caseload of matrimonial/domestic violence matters. Additional responsibilities include: client outreach; developing litigation, legislative and policy advocacy; enhancing the Unit's mediation practice; strict adherence to grant requirements, grant reporting and writing grant proposals; coordinating with the Director of Immigration to oversee the Unit's DV-related immigration practice; collaborating with advocates throughout LSNYC on litigation matters and strategy; working closely with city, state, and federal agencies and community partners and stakeholders; and maintaining and developing new partnerships with service providers. The Director will be supervised by the Director of Litigation.
