Position Summary

Our Health Care Practice Group is seeking to hire a motivated mid-level associate. The successful candidate can be based in any NP office, including – New York City, Long Island, Chicago, Los Angeles, Providence, or Albany. This position is also open to candidates who are fully remote. This is an excellent opportunity to join Nixon Peabody's national health care practice, which has received numerous national and regional rankings, including by Chambers USA, Legal 500, and U.S. News/Best Law Firms.

The ideal candidate will have four to six years of health care regulatory experience working on fraud and abuse issues and compliance matters in the context of business transactions, such as joint ventures and private equity investments, for health care companies and organizations. Experience with healthcare and/or life sciences transactions is required. Qualified candidates will have strong academic credentials, superb judgment and communication skills, and a commitment to providing excellent client services.

With 80+ attorneys practicing health care law on the ground in 13 offices and managing health care issues for clients across the country, Nixon Peabody is at the heart of the health care industry. The firm's health care practice works with more than 2,400 clients nationwide including hospitals and health systems, academic medical centers, accountable care organizations, private equity funds, long-term care facilities, IPAs and medical groups, and other types of providers. We specialize in helping clients manage the ever changing state and federal regulatory environment, evolving health care delivery and payment systems,

Nixon Peabody LLP is an Equal Opportunity / Affirmative
Action Employer.

shifting reimbursement programs, shrinking capital sources and other relentless competitive pressures health care organizations face.

A career at Nixon Peabody is the opportunity to do work that matters. It's a chance to use your knowledge to shape what's ahead, to innovate, to learn at a firm that taps into the power of collaboration and collective thinking.
