Join the New York Women's Bar Association and Trellis for an engaging webinar as we cover how legal analytics enables you to analyze the behavior and history of your judge, competitive counsel, prospects and clients to gain crucial insights into litigation history and ruling tendencies. We'll show you how to leverage state trial court - and verdict - data to be more efficient, more proactive, and achieve better results for your clients. You'll learn how to maximize legal analytics to gain a competitive advantage, win cases and bring in more money when litigating in New York state trial courts.

Topics will include:

- * Judicial Analytics and Ruling History
- * Helping Atty's to Draft Stronger Motions, Faster
- * Locating Verdict Data and Uncovering Intel on Opp Counsel
- * New York Docket & Ruling Searches+Alerts
- * Questions and Answers

Discover how you can capitalize on legal analytics in New York state court data to make more informed decisions. We encourage you to join this informative session to add value to your practice. We'll get things started January 6 at 1pm EST. Hope to catch you there!
