## **EXECUTIVE DIRECTOR**

Linda A. Chiaverini

Dear Friends:

On behalf of the Women's Bar Association of the State of New York ("WBASNY"), I am delighted to invite you to sponsor our 2022 Convention, which will take place at The Katrite Resort & Indoor Waterpark in Monticello, New York from June 2 to June 5, 2022.

As you may know, WBASNY is one of only three state-wide bar associations in New York, and the only one specifically dedicated to the advancement of the status of women within the legal profession and in our community at large. WBASNY's 3,500+ members hail from twenty chapters across the State and include individuals from all facets of the legal profession, including state and federal judges, prominent attorneys in all areas of the law, successful business owners, educators, and government leaders.

For decades, WBASNY has been committed to issues of statewide, national, and international significance to women in general, and to women attorneys in particular. Through the work and dedication of thirty-four active committees, WBASNY advocates for and supports issues such as Access to Justice, Children's Rights, Domestic Violence, Diversity, Equal Opportunity in the Profession, International Women's Rights, Judiciary and the Courts, Health Issues, and Matrimonial and Family Law. Our united and unsurpassed passion for WBASNY's mission is the foundation for the invaluable professional contacts and friendships enjoyed by our members across the state.

Our Annual Convention is a cornerstone event of our organization, as members from the statewide organization and from every chapter -- together with featured speakers and distinguished guests --- gather and participate in educational seminars, networking opportunities, community service projects, and more. Your sponsorship of this event provides you with an opportunity to reach influential leaders in communities throughout New York State by showcasing your support for WBASNY and its mission.

We invite you to join the many prominent businesses, corporations, law firms, and individuals, who recognize the importance of WBASNY's activities and the influence of our members throughout New York State and beyond through their support and sponsorship. As we continue forward with our mission, WBASNY and the community we serve are so grateful for the generosity, collaboration, involvement and support of our sponsors and friends because without you, our work is simply not possible.

Sponsorship opportunities are described in the attached materials. Whether you show your support at the Benefactor (\$5,000), Patron (\$2,500), or Friend (\$1,500) level or sponsor an individual Convention event or program, your contribution will be recognized in WBASNY publications, on its website, during our Convention and at WBASNY meetings throughout the year.

Thank you very much for your support. If you have any questions, please contact our Executive Director, Linda Chiaverini, at (212) 362-4445 or at [lchiaverini@wbasny.org](mailto:lchiaverini@wbasny.org).

Sincerely,

Dawn Reid-Green  
President, WBASNY
