Application Deadline is September 23, 2022

The New York State Office of the Attorney General is seeking an experienced attorney to serve in its Health Care Bureau in New York City. The Health Care Bureau seeks to use the law in all its forms to find solutions to health care inequities rooted in historical, persistent, and systemic discrimination. We are looking for an attorney to help grow our health care equity and justice work on behalf of people of color, LGBTQ people, people with disabilities, and low-income women and families and all those struggling to access affordable, quality health care services free from discrimination.

In addition, the Bureau advocates for legislation and policy initiatives to enhance the rights of health care consumers and their ability to access quality, affordable care in New York State. The Bureau has been recognized for its enforcement work during the COVID-19 pandemic in responding to unfair billing practices and fraudulent marketing of treatment and testing products, as well as for its settlements in mental health parity. Furthermore, the Bureau is working to ensure that pregnant persons continue to have access to safe reproductive health care, including abortions, and to curtail misinformation in this area. The Bureau also operates a consumer Helpline, which assists in resolution of individual consumer complaints regarding their health care plans and coverage.
