

BARCLAY DAMON ^{LLP}

We're Hiring

Barclay Damon LLP, a leading law firm of nearly 300 attorneys that operates from a strategic platform of offices located in the Northeastern United States and Toronto, is looking to fill the following attorney positions.

Interested candidates should apply to Kimberly Lewis, talent recruiter, at klewis@barclaydamon.com.

Commercial Litigation Associate (Syracuse)

Barclay Damon seeks candidates with at least three years of litigation experience in New York State. Prior experience in complex commercial litigation or white-collar litigation will be highly regarded, and prior experience as a court or appellate clerk will be considered. Candidates must have superior verbal, writing, and interpersonal skills along with demonstrated research and writing experience and the ability to thrive in a team environment. This position has room for growth and significant responsibilities that will be appropriate to the attorney's level of experience.

Litigation Associate (Albany or Rochester)

Barclay Damon seeks candidates with at least three years of litigation experience (preferred). Prior experience in complex commercial or health care-related litigation will be favorably regarded. Other significant litigation experience in a highly state-regulated field or prior prosecutorial experience is also a plus.

Litigation Associate (Albany, NYC, or Rochester)

Barclay Damon seeks candidates with at least three years of commercial litigation experience and interest in developing greater capabilities in health care-related litigation. Prior experience in health care litigation or litigation in highly regulated industries or prosecutorial experience will be favorably regarded. Candidates must be licensed to practice law in New York State and have strong verbal, writing, and interpersonal skills.

Mid- to Senior-Level Corporate Associate (Buffalo or Rochester)

Barclay Damon seeks candidates with at least three years of relevant experience in general business and transactional work. The attorney will represent sophisticated firm clients in mergers and acquisitions and commercial and other transactional work, including preparing and negotiating acquisition agreements and associated documents and conducting related due diligence. The attorney will advise clients on general corporate and business law issues and compliance matters and will be involved in the development and maintenance of client relationships. Strong communication and negotiation skills are required.

Regulatory Senior Associate or Junior Partner (Albany, Boston, Buffalo, NYC, Rochester, or Syracuse)

Barclay Damon seeks candidates for a senior associate or junior partner position. Candidates should have at least eight years of experience, including leading or acting as second chair in administrative, siting, and permitting proceedings before the NYS PSC, NYS Siting Board, NYS Office of Renewable Energy Siting, NYS DEC, and other similar agencies. Experience with NYISO tariffs and processes, including the interconnection process, is a plus. This is an exciting opportunity to work with experienced practitioners in a multi-disciplinary practice with matters throughout the United States.

Trusts & Estates Associate (Rochester)

Barclay Damon seeks candidates with at least three years of progressively responsible experience in trusts and estates practice. A license to practice in Florida, an LLM in tax, experience in corporate and transactional work, and five or more years of experience will be highly regarded. The attorney will support a growing trusts and estates practice representing primarily high-net-worth clients; perform transactional work, including drafting wills, revocable and irrevocable trusts, and operating and shareholder agreements; quantify tax impacts of estate and business succession plans; and work on estate and trust administration matters, including structuring administration plans, supervising the preparation of accountings, estate, gift, and fiduciary income tax returns, and addressing procedural and disputed matters. Strong verbal and written communication, analytical, quantitative (e.g., computational ability and the ability to work with spreadsheets), matter management, and executive functioning skills are required. Strong work ethic is also required.

Trusts & Estates Associate (Buffalo, Syracuse, or NYC)

Barclay Damon seeks candidates with at least five years of experience (preferred) in trusts and estates legal practice. Experience in corporate and transactional work will also be highly regarded. The associate will support a robust trusts and estates practice and will advise clients on trusts and estates issues; perform transactional work, including preparing and drafting wills, trusts, powers of attorney, and other documents; administer trusts and estates, including assisting with accountings and tax returns; and perform related research and due diligence. Strong communication and writing skills and work ethic are required.

Barclay Damon is an Equal Opportunity Employer.
